TERMS AND CONDITIONS

Ski passes are person-specific and non-transferable. Only persons with a valid ski pass will be transported. Any misuse of ski passes (passing on to third parties, specifying incorrect age classes, etc.) will result in confiscation of the ski pass and exclusion from transportation. A fine in the amount of €50.00, plus the full price of a day ticket, must also be paid.

If ski passes are returned, the retained deposit (NOT included in lift price) will be refunded. In the event of sports injuries with medical attestation from a local doctor and immediate submission of the ski pass, reimbursement of the unused benefit of the ski pass (from the subsequent day onwards) is guaranteed. Reimbursements will only be granted to injured persons, and not their family members or fellow travellers, and not in the event of illness. No reimbursement will be granted for day ski passes in the event of adverse weather, cessation of business, piste closures, closure of individual lifts, illness, early departure or interruption. For rescuing injured persons, we charge a contribution of € 120.00.

All pistes are closed from 5pm to 8.30am. To ensure maximum skiing enjoyment, this time is used to prepare the pistes and produce artificial snow. Use of the pistes and routes during this time is dangerous to life and is not permitted!

Children up to the age of 15 must wear a helmet.

Concessions on ski passes will be granted only on presentation of valid photographic ID. The following are entitled to concessions on ski passes: Small children born 2017 or later travel for free when accompanied by a parent; children born 2007 and later; young persons born 2006, 2005, 2004; students born 1997 and later. Handicapped: on request.

Facilities or pistes may be closed due to heavy snowfall, weather events (risk of avalanche, storm, adverse weather, etc.), administrative order (for example Pandemic,...), unforeseen

technical faults or for safety reasons. These cessations of business do not constitute grounds for a price reduction or reimbursement of purchased ski passes.

By purchasing a ski pass, the customer consents to automatic registration or personal photographic recording, storage and processing of personal data.

Data protection guidelines can be found here: www.loser.at
